COVID 19: I agree to follow the policies and procedures that Ss. Anthony & Philip parish has set forth to ensure the health and safety of all who participate in the parish faith formation at the parish. These policies and procedures are based upon the Diocese of Madison Guidelines for a Safe Return to Faith Formation. I understand that policies and procedures are subject to change based on local and state regulations/ordinances. I will regularly review the policies and procedures document for our parish as the COVID-19 situation changes and develops. If at any point, I am not in agreement to follow the policies & procedures I will contact the parish office/staff to notify them. Current policy and procedures are included in family packet mailing, in handbook, and posted on parish website.

Families are asked to return this registration form along with payment to the Religious Education Office. **It is very important that this registration form is returned** – we need to have contact numbers for your family. You can bring it to our RE Program Kick-off Mass, mail it, drop it in the collection basket, or send it with your child to class. An envelope is enclosed for your convenience.

Families unable to afford the program fee only need to contact myself. All families are welcome and encouraged to attend our program whether they can pay this fee or not.

Thank you for your cooperation in these most important matters. We look forward to the new program year, and pray for God's special blessing on all our efforts.

Delores Eggers, Religious Ed Coordinator
